Chibi Miku-san by Minami, it is a fan-base comic of Vocaloid Hatsune Miku, but the main character is her little sister named "Chibi Miku." Although its fan made it is widely acknowledged by the Vocaloid fan community. This comic although mainly composed of four panels already has a compilation and it is now out on sale as a comic manga book.

This presentation is just a small collection of the four panel Chibi Miku-san comic with translations and some adlibs. I hope you enjoyed reading!
